Gisele Beaupre

"Self knowledge leads to wonder, and wonder to curiosity and investigation, so that nothing interests people more than people, even if only one's own person."¹

Exploration — personal space — subjective — objective — parallels — perceptions — interpretations — tension — composition — medium — content — intimate — honest — symbolic — political — body — soul — male — female — humanity — society

"Just as true humor is laughter at oneself, true humanity is knowledge of oneself."²
